SELF LEARNING SKILLS

SEMINAR AND DEMONSTRATION
BY CLASS STUDENTS
AT KARUR EQUITAS GURUKUL

The google age demands that learners be inspired to develop a love for learning so that they will take accountability for their learning. Equitas Gurukuls have initiated a new learning process where in children take initiative to read the lesson and present key points. They undertake to explain the topic, ask questions, clarify doubts and present the significance

of the topic. This develops the skill of self-learning and enables them to plan their learning and perform better as they become proactive learners.
