Equitas Gurukul

Equitas Almamater

Equitas Alumni Club was established with the foremost objective of providing a constant reassurance and support to our former students to progress in their lives. We meet them at regular intervals, interact with them, guide and support them in pursuing their higher education, provide them professional support and help them improve their standard of living through education. Through this alumni club, we stay connected with our former students and we mentor them in reaching their goals in lives.

Good Samaritans

Yamuna, AshikaSri and Mesha Sri of Equitas Gurukul, Salem have won all our hearts through their magnanimous act of volunteering to help their classmate who was injured in an accident. These girls of Class V in Salem Gurukul have pooled in all their piggy bank savings and handed over the amount to the family of their friend towards his medical treatment. These are indeed the true lessons that we learn in our lives. Equitas is proud to nurture such beautiful souls in our schools – Mercy-“it is twice blest”.
